Comes now, Jonathan Lee Riches a/b/a Bernard Madoff, defendants are
Violating my civil rights and Equal opportunity employer, EOE denying a
Constitutional right to play in their league, This is discrimination against
Federal Inmates and convicted felons. On April 1, 2009, I submitted my name
to Roger Goodell to enter the 2009 NFL draft, I'm over qualified, I've trained
catching footballs in prison with Michael Vick & Ray Carruth in the Prison Rec Yard at
Federal Medical Center Lexington Kentucky. I'm the Jim Thorpe of sports! I got clocked
by guards in the gun tower running the 40 yrd dash in 3.9 seconds, I can throw a
football 105 yards, I've benched pressed Nate Newton in prison 36 times straight, FBI
officials confirmed this information in a Affidavit, Olivia Newton John passed my
Physical, but Roger Goodell took my name off the draft list on April 2, 2009, Goodell
told my FBI Agent I hired, Shanaa Dunlap who Arrested me for Identity theft that
unless I give Roger Goodell Ponzi and credit card fraud kick back money of \$3.3
Million, I can't play in his league, Goodell also wants me to personally hack into the financial
records of the Arena football leagues banking records and drain their Accounts, so they
declare Bankruptcy, so Arena football league players will play for the NFL instead.
Gary Bettman bets on sports, FMC Lexington is bias against the NHL on Bettman's
orders not showing hockey games on the prison T.V.'s because Bettman is racist Against
Black & Spanish & Identity theft convicts. Bettman is Afraid Black Inmates will Attend
Hockey Arenas Nationwide to watch NHL games and scare away white fans, and Bettman
